Reason: For extraordinary heroism in action against an armed enemy. During the period 21 January 2004 to 1 February 2005, 1st Battalion, 27th Infantry and its subordinate units displayed extraordinary heroism in action against an armed enemy during Operation Iraqi Freedom. The battalion conducted countless offensive, stability, and support operations over a 1,900 square mile area of responsibility from three separate forward operating bases. They aggressively fought anti-Iraqi forces while simultaneously working to help the Sunni Arab people rebuild their communities. The 1st Battalion, 27th Infantry's exceptional performance of duty is in keeping with the finest traditions of military service and reflects great credit upon the unit, the 1st Infantry Division, and the United States Army.
