PERMANENT ORDERS 061-03

2 March 2009

U.S. Army Communications -- Electronics Life Cycle Management
Command, Software Engineering Center

Announcement is made of the following award:

Award: Army Superior Unit Award

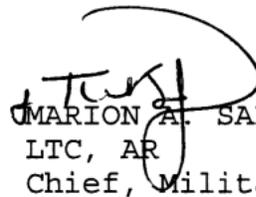

Period of service: 1 January 2007 to 31 December 2007

Authority: AR 600-8-22, paragraph 7-16

Reason: During the period 1 January 2007 to 31 December 2007, the U.S. Army Communications -- Electronics Life Cycle Management Command, Software Engineering Center displayed outstanding meritorious service in support of the Global War on Terrorism. The unit served as the Army and Department of Defense's premiere leader in software engineering and provided the full breadth of enterprise system acquisition and sustainment support. Utilizing cutting-edge technology and best business practices, the unit ensured software superiority for America's warfighters. The U.S. Army Communications -- Electronics Life Cycle Management Command, Software Engineering Center's outstanding performance of duty is in keeping with the finest traditions of military service and reflects distinct credit upon the unit, the Army Materiel Command, and the United States Army.

Format: 320
