

History "Jody" (double-time style)

1. My grandfather was a cavalryman...
Ridin' every day for Uncle Sam!

He rode the mountains high...
And he rode the valleys low...

He rode all the places he had to go!

Hey-dee, hey-dee, hey-ho...
Ain't no place I can't go!

Hey-dee, hey-dee, hey-how...
I am a Soldier now!

2. My old man was a Soldier proud...
Said it every day and he said it out loud!

Hey-dee, hey-dee, hey-ho...
Ain't no place I can't go!

Hey-dee, hey-dee, hey-how...
I am a Soldier now!

3. Like every Soldier...
In history!

I am one with them...
And they are one with me!

My time has come...
And that time is mine!

Let me tell you now...
that I'm doing fine!

Hey-dee, hey-dee, hey-ho...
Ain't no place I can't go!

Hey-dee, hey-dee, hey-how...
I am a Soldier now!
