

Juxtaposition

Directions: Define the term **juxtaposition** then create a T-Chart outlining 5 to 7 examples of progressive ideals and regressive policies during the Wilson administration.

Progressive Ideals

Regressive Policies

KEY

Juxtaposition: the fact of two things being seen or placed close together with contrasting effect. "The juxtaposition of these two images."

Progressive Ideals

1. Lowering Tariffs/The Underwood Act
2. Creating the Federal Reserve System/The Federal Reserve Act
3. Championing antitrust legislation/The Clayton Antitrust Act
4. Establishing the Federal Trade Commission
5. Passing the Child Labor Act
6. Passing the Workingmen's Compensation Act
7. Passing the Adamson Act

Regressive Policies

1. Segregated federal facilities (bathrooms, offices, cafeterias)
2. African Americans were assigned least desirable positions
3. African Americans were given inferior work spaces/conditions
4. Prohibition of interracial marriage
5. Political alignment with the Ku Klux Klan
6. Policies to limit economic competition of African Americans
7. Segregated Army
